Binary™ USB 2.0 A Female to A Female Keystone Pigtail

For use with keystone panels and wall plates, this A Female to A Female USB 2.0 keystone pigtail is the perfect solution for providing neat and tidy in-wall or in-table USB connection points, while creating a simple, clean look.

Bendier is Better

Our cables are incredibly flexible and allow more freedom with installs.

Strength of Shielded

The aluminum-shielding layer combines with a braided shielding so that signal quality isn't compromised by EMI.
