RA2 Select works with Sonos.

Lights and sound in perfect harmony.

Pico remotes for lights and audio

Sonos One™

Getting started is easy

Step 1

Install your RA2 Select system, connect it to your Wi-Fi router, and download the Lutron App.

Step 2

Install your Sonos Home Sound System and set it up on your smartphone using the Sonos app.

Step 3

Add your Sonos Home Sound System to your RA2 Select system using the Lutron App.

Step 4

Pair your Sonos speaker(s) to Pico remotes or scenes using the Lutron App.
