## KEY FEATURES

- 42" Pro Series True-Outdoor All-Weather Television for permanent outdoor installation
- Landscape Orientation only, use DS-4217P for portrait installation.
- Ultra-Bright (700 NIT) 42-inch full HD, 1080p LED screen for improved outdoor viewing
- Direct Sunlight-Readable
- Anti-glare protective glass and removable front bezel for easy field servicing
- Massive, side-opening cable/media bay provides easy access (Opening: 6.45" x 13.5" x 3.0" deep / Interior: 7.9" x 17.7" x 2.1" deep)
- Media bay power port powers media players without the need for external cords (5v@3.5amps / 12v@3amps)
- Side-mounted cable ports for improved access and visibility
- High temperature Enhanced Solar Tolerance (EST) technology prevents isotropic blackout
- Thermal-flow air ventilation system keeps the unit cool & dry in temperatures up to 122 degrees F
- Ability to operate in cold weather (-40 degrees F)
- Exterior designed to protect internal components from rain, snow, dust, insects, humidity, and salt air
- Powder-coated rust-proof aluminum exterior for strength and durability
- RS232 serial control with discrete on, off, and input control (located in the cable-entry compartment)
- Rear IR receiver (located in the cable-entry compartment)
- Innovative water-tight Cable Entry System seals out moisture and allows for easy hook-ups
- Weatherproof detachable 20W speaker bar (Top or bottom mount)
- Quick-change filtration cartridges
- Weatherproof remote control
- Weatherproof control buttons with optional tamper-proof plate
- Remote control Lock-out prevents unauthorized users from changing the programming
- Includes Weatherproof Detachable 20W Speaker Bar, Weatherproof Remote Control, Warranty, and Manual
