

710-Series IP Cameras

You won't believe your eyes when you see the dazzling clarity of our Luma Surveillance 710-Series IP cameras. At 8MP, these cameras deliver dazzling 4K resolution. Our Starlight technology ensures you can see it all, day and night.

IR

STARLIGHT

4K RESOLUTION

8MP captures 3840x2160 pixels to deliver stunning 4K resolution. Capture every inch of your property in unparalleled clarity and detail.

WITHSTAND THE ELEMENTS

As long as they're continually powered, our 710-series cameras will continue working in temperatures as low as -40° F, and their performance won't be hindered by strong wind and rain.

SECURITY WHEN YOU NEED IT MOST

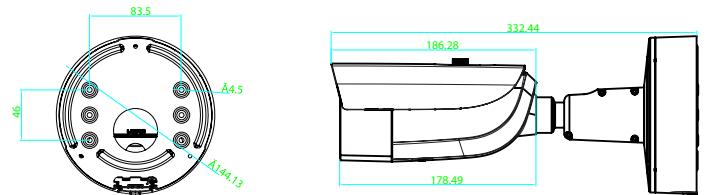

Great daytime shots are nice, but Starlight improves nighttime performance – a critical feature for surveillance footage.
