ProSeries

WIN MORE CUSTOMERS.
KEEP THEM LONGER.
DRIVE PROFITS.

Introducing ProSeries platform, our ultimate smart security system. With its innovative, modular design, ProSeries will excite your customers and grow with their needs, while offering you unprecedented efficiency in installation and service. Deliver a seamless experience combining professional security, smart home and “One-Go-All-Go” connected life-safety solutions together. Designed by professionals, for professionals – ProSeries platform will help you win more customers, keep them longer and drive profits.

Features & Benefits

WIN MORE CUSTOMERS

- Modular design means highly flexible, customizable solutions
- Powerful Smart Home capabilities, including Amazon Alexa voice assistant (PROA7PLUS)
- One system for both residential and light commercial customers
- Text-to-speech capability produces spoken voice descriptors describing specific areas of a home or business

KEEP THEM LONGER

- A future-focused, modular design increases retention
- Locks your sensors to protect your RMR
- Monitor your base for attrition risks
- Increase brand awareness by displaying your logo and company information on the panel, touchscreens and Total Connect App
- Enhanced notifications keep users more aware

DRIVE PROFITS

- Choice of programming methods – local, web or mobile drive productivity
- Universal peripherals and end-user replaceable batteries and modules increase efficiency
- Remote system diagnostics, One-Touch panel replacement, maintenance and over-the-air updates reduce truck rolls

WELCOME TO THE FAMILY.

ProSeries products offer unprecedented flexibility and the modularity you need to engage customers and grow seamlessly with their needs. ProSeries delivers simple takeovers and upgrades, “One-Go-All-Go” connected life-safety solutions, and a perfectly consistent experience between hardware and software – helping you to win more customers, keep them longer and drive profits.
