J HOOK
3/4", 1-5/16", 2" OR 4"

ADI PRO

ADI PRO's durable, galvanized steel J hooks are both UL and cUL certified. These J hooks are ideal for organizing or extending cable runs in either a wall mount or ceiling mount application.

FEATURES

- **Supports Cat 5e/6/6A/7, fiber, coaxial cable and conduit**
- **Smooth, beveled edge provides proper cable bend radius**
- **Complies with EIA/TIA requirements for structured cabling systems**
- **Galvanized steel construction for strength and longevity**
- **Safe to use in plenum spaces**
- **UL and cUL listed**
- **Limited Lifetime Warranty**
