Araknis Networks
In-Ceiling Mounting Brackets | Large

AN-ACC-ICBKT-LR

This Araknis In-ceiling Bracket is designed for use with Araknis 820 Wi-Fi 6 Indoor Access Points. Easily and quickly install into the ceiling for a clean and flush installation that doesn't interfere with the room's aesthetics. The bracket features the same patented Push Lock technology as our Signature Series speakers, making installation a breeze.

Important Note: Not recommended for use with Wi-Fi 5 Araknis Access Points

Best Used with Araknis Networks

These Araknis In-Ceiling Brackets are designed for Araknis Access Points, allowing for clean and aesthetically pleasing installations in any room.

Easy Installation

Araknis In-Ceiling Brackets feature patented Push Lock technology, allowing for quick, easy, and secure installation with minimal tool use.

Use with Episode In-Ceiling Speaker Brackets

This bracket is compatible with the Episode In-Ceiling Speaker Bracket (ES-ESS-BRKT-IC-8). Easily and quickly swap out an Episode speaker with the bracket to move the access point to a pre-cut location.
