

BNC CONNECTORS

COUPLERS, BNC JACK TO BNC JACK

ADI PRO BNC Couplers feature two BNC female jacks to facilitate quick, secure connection of two BNC coaxial cables while maintaining optimal signal quality. Ideal for HD digital or analog audio and video installations.

FEATURES

Indoor, commercial and residential applications

Connect two BNC coaxial cables quickly and securely

Corrosion resistant, with nickel-plated body and gold-plated contact

Limited Lifetime Warranty

Product Specifications

PART #	Impedance	Quantity
0E-BNCCFTP	50Ω	10-pk
0E-BNCCF75TP	75Ω	10-pk

Configuration: BNC jack (female) to BNC jack (female)

Materials: Nickel-plated zinc (body); Gold-plated brass (contact)

RECOMMENDED TOOLS

0E-BNCCMPTL
Universal Compression Tool
BNC, F and RC

0E-BNCCRTOOL
Universal Crimp Tool
BNC, F, N, TNC, UHFST, SC
