Outdoor Cam Pro PoE (4K) - Black

B0DDRP42ZT

SKU: 207691

Ring's most advanced anywhere-ready outdoor camera, loaded with the ultimate image clarity and security features. Supercharge your security with Outdoor Cam Pro. See it all with Retinal 4K, featuring wide-angle video that captures detail in any light — even at a distance. Protect what's yours with the power and precision of Ring's most advanced anywhere-ready outdoor camera.

Retinal 4K pushes image quality to a whole new level. Zoom in up to 10x and see finer details with incredible definition in any light.

At Ring, we don't just offer great resolution, we tune everything — from our cameras to the Ring app — to capture and display video with our highest clarity, sharpness, and color accuracy in low-light conditions. It's performance hardware and powerful processing working seamlessly together. The result? Crisp, true-to-life video from your property to your phone.

Features

- **Retinal 4K with up to 10x Enhanced Zoom** – Capture wide-angle video even at a distance.
- **Low-Light Sight** – Get a full-color view in the near-dark.
- **3D Motion Detection** – Receive real-time phone alerts, delivered by radar-powered motion detection.
- **Live View & Two-Way Talk with Audio+** – See, hear, and speak to who's there in real time.
- **Protection Anywhere** – Mount or place to secure any space, no matter the weather.
