

How to Become a BrightSign Reseller

1. When adding a BrightSign product to your cart on SnapAV.com, you will be prompted with a pop-up to enter basic company information.
2. This information will be sent to BrightSign, who will then contact you for the free required introductory training.
3. Once your training is complete, BrightSign will send your certification to SnapAV and alert you that you can now purchase BrightSign products.
