SILVER SURROUND

ON-WALL, IN-WALL

SILVER SURROUND

ON-WALL, IN-WALL

Fill your theater or media room with vivid, life-like sound—captivating audiences with Triad Silver Surround speakers. Designed to work with high-powered AVRs, these bipole speakers offer full-frequency sound reproduction, delivering powerful output for optimal, dynamic audio. Carefully chosen drivers and components work well with all surround sound formats, meeting the demands of every home cinema.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's fully engineered, sealed, and internally braced MDF enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent.

Triad's Silver Surrounds offer a professional-grade cinematic experience, achieving unobtrusive elegance while retaining the integrity of sound. Complete the full home theater experience by pairing the Silver Surround with Triad LCRs, satellites, and subs.

FEATURES

- Compact, bipole design
- AcoustiPerf metal grill
- Fully engineered, premium MDF enclosure
- Acoustic suspension
- Custom paint matching available

ON-WALL

The On-Wall Silver Surround can be used in arrays of multiple pairs in larger rooms and can be either wall mounted or ceiling mounted to suit the situation.
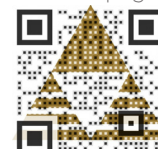

IN-WALL

With its compact dimensions and ultra-low-profile installed appearance, the In-Wall Silver Surround can be mounted in walls or the ceiling, regardless of the direction the ceiling joists run.
