SnapAV Inks Exclusive National Distribution Partnership with Klipsch Audio

Charlotte, NC – June 27, 2019 – SnapAV is pleased to announce it is the exclusive national custom installation distribution partner for Klipsch speakers in the United States. The partnership provides broader and more premium audio solutions to custom integrators, while delivering the world-class support and logistics they have come to expect from SnapAV. Klipsch will join SnapAV's own brand of Episode speakers in their portfolio and will be available on their website and via their local distribution locations in August.

When it comes to speakers, SnapAV understands the importance of having options. "We know dealers today carry more than one speaker brand," said Mike Jordan, VP of Audio for SnapAV. "By partnering with one of the best speaker companies, we're allowing dealers to shop for all their audio needs conveniently in one place. SnapAV will be where pros buy audio."

Klipsch is an iconic brand with an unmatched 73-year history. It's robust line of speakers, legendary and powerful sound, and consumer brand loyalty complement SnapAV's product assortment. The brand is committed to developing highly efficient, premium speaker solutions for any residential or commercial application. Klipsch custom installation speakers feature exclusive technology designed to save integrators time and money, while ensuring maximum profitability.

"This partnership aligns our #1 market position with SnapAV's award-winning service, support and logistics approach — online and in brick and mortar locations. Dealers will benefit from having the ultimate sound experience and the best service in the industry," noted Tommy Jacobs, VP of Sales for Klipsch.

"We're thrilled that Klipsch and Episode speaker brands will coexist and succeed together. To be an industry leader, you have to provide access to the best brands, and Klipsch is one of them," added Jordan.

About SnapAV

Established in 2005 and based in Charlotte, North Carolina, SnapAV is a manufacturer and exclusive source of A/V, surveillance, networking and remote management products for professional integrators. An industry leader in the custom install channel, SnapAV helps integrators build their businesses by providing a wide range of high-quality products, easily

accessible through an intuitive website and backed by award-winning service and support. With a vast catalogue of today's most popular brands, SnapAV is the premier choice for custom installers across the globe. Additional information about SnapAV and its products can be found at www.snapav.com.

About Klipsch

In 1946 Paul W. Klipsch, inventor, acoustics pioneer and maverick, founded Klipsch Audio with the sole purpose of bringing the power, detail and emotion of the live music experience into his living room. Through the use of highly efficient speaker designs, handcrafted cabinetry and a thirst for real engineering breakthroughs – Klipsch, the great American loudspeaker company, was born in Hope, AR. Today, our diverse range of quality audio products includes speakers and headphones for almost any consumer and professional application – including cinema, whole-house, wireless, home theater and portable offerings. Honoring our founder's legacy, Klipsch continues to be the legendary high-performance brand of choice for audiophiles and aficionados around the world.
