

## FLOOR STANDING RACK SERIES

### DESCRIPTION:

Strong™ Floor Standing Racks provide versatile and flexible configuration options that make organizing equipment a breeze. They come equipped with an array of smart installation features and a Jet Black finish that looks great in any room.

### BUILT “STRONG”

Keeps equipment secure with plates made from a solid sheet of 14-gauge steel and rack rails that have an impressive 11-gauge thickness.

### ROLLS WHERE YOU NEED IT

Equipped with fine floor casters that make them easy to move, these mobile racks will always be exactly where they're needed.

### COMPLETELY CUSTOMIZABLE

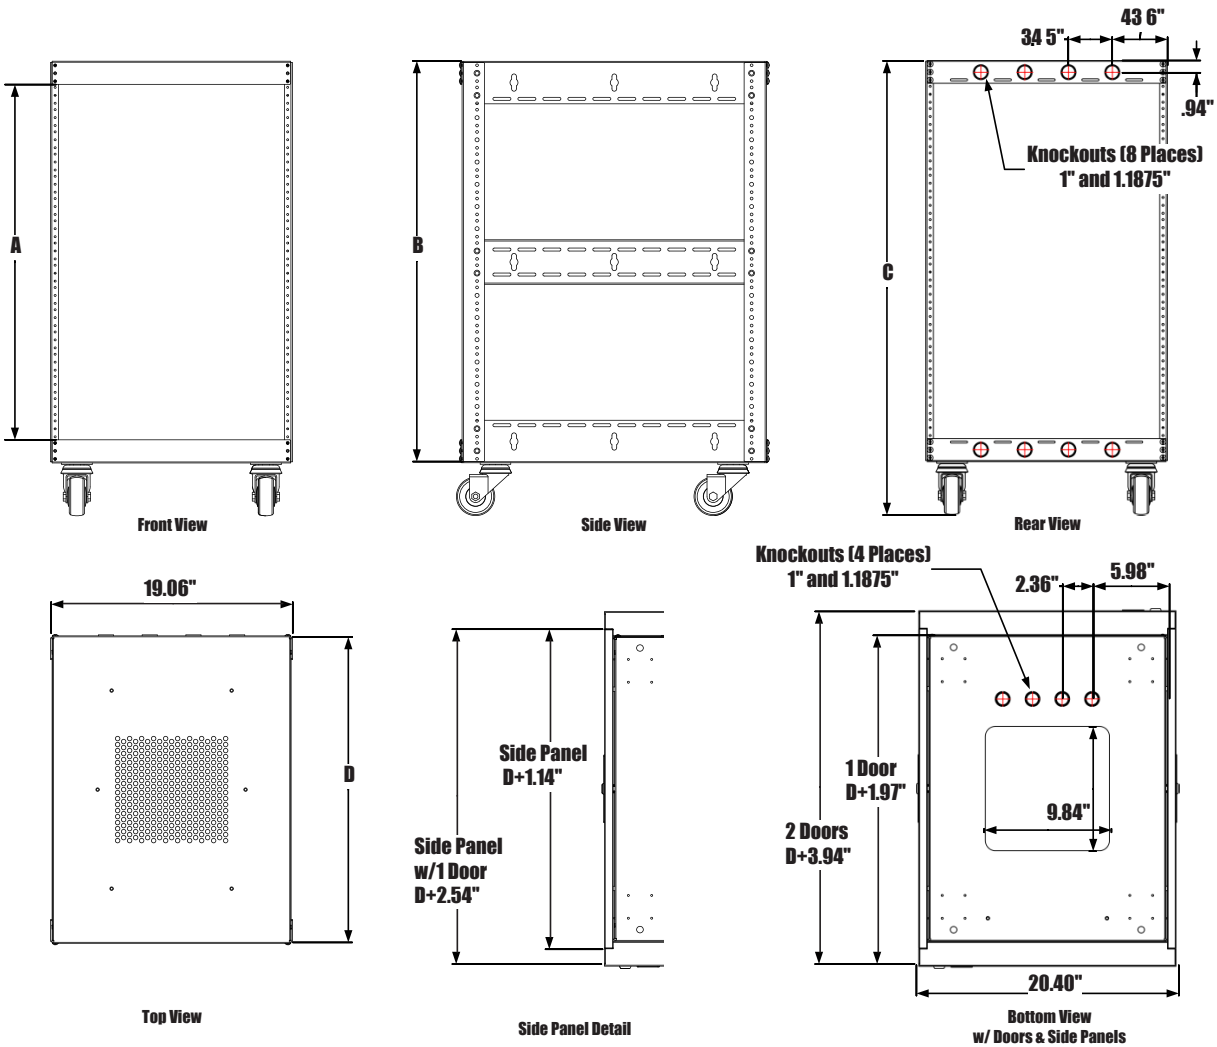

Compatible with our line of Strong™ Accessories, including shelves, drawers, panels, doors and more, each rack can be customized to meet a variety of application needs. And with an ultra-versatile design, Strong™ Floor Standing Racks offer an almost unlimited number of options.

### WARRANTY:

*Strong™ Racks and Rack Accessories have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).*
