

## WALL MOUNT RACK SERIES

---

### DESCRIPTION:

Strong™ Wall Mount Racks keep equipment locked up and off the floor, while making sure it's still easily accessible. They're perfect for maximizing floor space, and can be customized to meet specific application needs.

---

### BUILT "STRONG"

Keeps equipment secure with plates made from a solid sheet of 14-gauge steel and rack rails that have an impressive 11-gauge thickness.

---

### SLEEK LOOK AND FEEL

Features a jet black finish done through a unique electrocoating process, which creates a look that's both professional and durable.

---

### COMPLETELY CUSTOMIZABLE

Compatible with our line of Strong™ Accessories, including swing kits, shelves, drawers, panels, doors and more, so each rack can be customized to meet a wide variety of application needs.

---

### WARRANTY:

---

*Strong™ Racks and Rack Accessories have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).*
