

ES-300-SAT-3-WHT

ES-300-SAT-3-BLK

## REAL PERFORMANCE FOR THE REAL WORLD

You don't just want music in your family room... and the Episode 300 Series SAT bookshelves are the perfect speaker for just about anywhere in your home. These small but beautifully-finished compact speakers pack a lot of punch for their size. Ideal for a bedroom or small office, these in-room models are timbre-matched to the rest of the ES-300 series for unmatched quality and sound.

## Outstanding Audio Quality

Features injection-molded polypropylene woofer for quick, accurate bass, while a precision-tuned tapered port enhances low frequency response.

## World-Class Engineering

Outstanding driver voicing and specifically engineered cross-over network result in excellent imaging, reduced distortion and superior fidelity.

## High-Gloss Cabinetry

Solid construction eliminates resonance and minimizes vibrations, while a beautiful high-gloss finish compliments any decor.

### Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
