The Little Monster Big Sound, Little Package

- Compact, attractive design
- Precision-tuned tapered port enhances low frequency response
- Solid construction eliminates cabinet resonance to prevent unwanted distortion

Episode: Real Performance for the Real World. The ES-500 Bookshelf Speakers are the perfect fit for your home. Compact and attractive, the small size produces a big sound while blending into any décor. Timbre-matched to work seamlessly with the ES-500 series, these little beauties will be the big punch your multi-room audio or surround sound system needs without the bulk of a large home theater speaker. You'll be amazed at the powerful, rich sound that this speaker offers.

Lifetime Warranty

Episode in-wall, in-ceiling and bookshelf Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. All warranty claims must be made through an authorized Episode dealer.
