

ES-700-IW-6  
MSRP: \$699.00

## REAL PERFORMANCE FOR THE REAL WORLD

Designed to meet the demands of critical listeners, the ES-700 is equally capable as a music or home theater speaker. Even at low volume levels, you'll appreciate the clarity and detail this speaker produces. And when you turn it up, you'll enjoy a wide, natural soundstage and exceptionally dynamic sound.

## Engineered for Precision

Get accurate, uncolored acoustic performance and a wider, more engaging soundstage with the help of premium components, including a paper woofer reinforced with Kevlar® and a titanium catenary dome tweeter.

## Customized for Performance

No two rooms are alike. This speaker compensates for their differences in sound absorption to provide clear, crisp audio in all corners of the room.

## Built for Sound

Smart, solid construction eliminates cabinet resonance to prevent unwanted distortion and deliver accurate, detailed sound.

### Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
