Built for Sound

Get accurate, uncolored acoustic performance and a wider, more engaging soundstage with the help of premium components, including a woofer reinforced with Kevlar® and a titanium catenary dome tweeter.

Designed for Versatility

Perfect for in-wall surround sound LCR applications, as well as situations where side and rear surround speakers are needed, this speaker works exceptionally well for high-end dedicated home theaters and two-channel music.

Customized for Performance

No two rooms are alike, and this speaker compensates for their differences in sound absorption to provide clear, crisp audio in all corners of the room.

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
