

ES-AW-6-WHT

ES-AW-6-BLK

Blends in Sound

Thanks to premium components – like a polypropylene woofer and aluminum dome tweeter – the Episode® All Weather Series is optimized for outstanding performance. Perfect for everything from easy listening on a weeknight to a party on the weekend.

Designed for Durability

Whether it's extreme heat, excessive moisture, or another environmental hazard, these speakers are more than up to the challenge. A rugged build, UV-treated casing, stainless steel hardware, and weather-proofed glue allow for optimal performance in any weather.

Engineered for Versatility

Solid construction eliminates resonance and minimizes vibrations, while a beautiful high-gloss finish compliments any decor.

Sold As:	Pair

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
