## Designed to Perform

Get premium acoustic performance and a wider, more engaging soundstage with the help of top-notch components, including a woofer reinforced with Kevlar® and a titanium catenary dome tweeter.

## Built for Sound

Integrated rock-solid back box provides a tighter bass response, resulting in high-end performance you can really hear.

## Customized for Performance

No two rooms are alike, and this speaker compensates for their differences in sound absorption to provide clear, crisp audio in all corners of the room.

### Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
