

## Savant Driver for DVR Release Notes

### 14 Aug 17

The purpose of these release notes are to provide detailed information regarding fixes, enhancements, and known issues related to the Luma DVR Control System Drivers.

#### What It Is

These are the Savant drivers for Luma DVRs.

#### Important Note

Though the Luma Savant profile is not ready, the SnapAV profile *SnapAV WPS-300-DVR-16CH (Image Streaming)* (*Wirepath WPS-300-DVR-16CH (Image Streaming)*) [IP] works on the Luma DVRs.

#### Where to Find It

The Wirepath driver is found in the Savant programming.

#### Known Limitations

This is a streaming driver only. PTZ control requires a separate profile. We recommend you use the DVR's user interface to operate the pan, tilt and zoom functions of the attached cameras.
