

## Release Notes: Luma IP PTZ Camera Firmware

### V5.4.8 build 180301

Priority: **IMPORTANT**

Released: 2018/06/07

This is the release firmware.

#### Models Affected

- LUM-500-PTZ-IP-WH

#### Known Issues

1. Smart Motion / Region Entrance and Exiting Detection are not supported on the Luma 500/501 NVRs.
2. Check or uncheck of IP PTZ Camera UI Privacy mask enable feature saves without having to click the save button.
