## GOLD SURROUND

ON-WALL, IN-WALL

Experience a professionally engineered acoustic space with the Gold Surround's refined, immersive soundstage. Carefully chosen, premium drivers offer high power and high sensitivity, producing cinema-level output with dedicated surround processors and amplifiers. Redefine surround sound with effortless audio reproduction, dispersing rear-channel information with precision and authority.

In an industry of generic, mass-produced products, Triad combines craftsmanship and customization in every order. Handcrafted in the US using the finest materials and components, Triad's fully engineered, sealed, and internally braced MDF enclosures deliver intricate acoustics and effortless playback, actualizing the artist's intent.

Complete the full home theater experience by pairing with Triad LCRs, satellites, and subs. Triad Gold Surround speakers enhance the finest home theaters with detailed effects at both cinema reference and background listening levels, transporting audiences to new dimensions.
