

MICRO LCR SOUNDBAR

ON-WALL 1.0, 2.0, 3.0

MICRO LCR SOUNDBAR

ON-WALL 1.0, 2.0, 3.0

Triad's Micro LCR soundbar integrates seamlessly with shallow televisions, delivering unobtrusive style and high-resolution audio to complement today's high-resolution video content. With 3" drivers, these sleek, compact speakers allow high-output, premium-quality playback with low distortion.

Combine exceptional audio and aesthetics with custom designs—offering lengths to match your television and custom finishes to match walls, millwork, and other décor. With high-performance one-, two-, and three-channel versions, the Micro LCR produces authentic front-channel audio and is voice matched for consistent sound. Pair with a Triad OmniSub as well as additional sat/surround speakers for complete surround sound.

In an industry of generic, mass-produced products, Triad soundbars combine craftsmanship and customization, preparing products according to every order. Each speaker is handcrafted with proprietary drivers and a fully damped, braced enclosure for authoritative, intricate playback. Providing subtle elegance while retaining the integrity of sound, Triad soundbars take your movie experience to a new level.

FEATURES

- Veneer finish and custom lengths available
- Easy-mount installation
- Fully engineered, premium MDF enclosure
- AcoustiPerf metal grill
- Acoustic suspension
- Compact two-way design

ON-WALL MICRO LCR, 1.0

Flank a TV or configure horizontally as the center speaker.

ON-WALL MICRO LCR, 2.0

Specially designed for use in stereo sound systems.

ON-WALL MICRO LCR, 3.0
