

## **What's Happening?**

Starting December 1st, 2020, the SnapAV Charlotte will call/pickup location is becoming an Allnet/Snap AV Pro Store pickup location. Allnet is owned by SnapAV and is our central distributor division. Allnet has been operating in the Central United States for over 20 years, and they are excited to offer Carolina dealers the benefits of an expanded product portfolio available for same-day pickup, as well as convenient in-person training and support. If you've previously picked up products from the Charlotte will call location, you'll likely recognize many members of the Allnet Charlotte team!

## **What's the Benefit to My Business?**

You will now have access to a broad product assortment of the industry's most popular brands. Allnet carries the SnapAV product lines you shop today, as well as the third-party brands like Sony, Samsung, Sonos, Klipsch, Lutron, Luxul, Eero, Ring, Yamaha, [and more!](#) A majority of products will be available for same-day pickup, plus you'll get access to in-person training, support, and design assistance.

## **What's Changing for Me?**

Effective December 1st, you'll no longer be able to select "Charlotte" for pickup on the SnapAV website. Please note that you can still have products shipped directly to you when you order from SnapAV.com. In order to use local pickup and gain access to the broader Allnet product catalog on December 1st, you'll need to sign up as an Allnet dealer.

## **How Do I Get Signed Up with Allnet?**

We've made the process fast and easy. Simply complete a brief partnership agreement, and we will have your account established within 24 hours. [Here is the link](#) to become an Allnet dealer.

## **What Products Are Available at Allnet Charlotte?**

The Allnet Charlotte facility will carry a robust assortment of the industry's most popular product lines, including brands from SnapAV and Allnet. Some of the most notable brands available through Allnet include Sony, Samsung, Luxul, Eero, and Yamaha. A full line card can be viewed [here](#).
